Year 5 Newsletter

Dear Parents/Carers,

This week,

The children have explored figurative language. They have looked at different types of figurative language (E.G personification, similes, metaphors) and applied it to poetry. In maths, they looked at dividing by powers of 10 before moving on to the beginning of their fraction unit. In computing, the children have started planning their video project as well as thinking about the dangers of posting videos online. In science, they have explored the planets and begun to explore known facts.

Next week

In maths, the children will be continuing with their fraction unit.

In English, they will be exploring suspense writing.

Homework

There is homework on DoodleMaths for Miss Griggs and Mr Fox's groups. There is a sheet for Mrs Ivory's group. They all have a be the teacher comprehension.

Please remind children to learn their spellings and read at least 3 x a week.

Victorian day

Victorian Day will be held on Wednesday 16th December. The children will be partaking in various fun Victorian activities. Children are welcome to dress up in Victorian style clothes to really play the part and get involved. However, this is not compulsory.

12.11.2026

PE

Just to remind you, PE days are the following:

5F – Tuesday and Friday

5IG – Monday and Wednesday

This half-term we will be doing hockey outside during 'indoor PE'. Please can children have their full PE kit in school for both days as the winter months progress.

Have a lovely weekend,

Mrs Ivory, Miss Griggs and Mr Fox 😊

Dates for your diary

- **19th November** – 5F assembly
- **3rd December** – 5IG assembly
- **16th December** – Victorian day
